A D
I am the child of two heroes,
D A
Paul L and Alice B
A E
They both fought in the World War
D A
on different sides of the sea
A D
They got together at Fordam,
D A
made my sisters and me. Made
E
godfather Joseppi,
D A
godmother Jeannie
A D
We are a family of heroes
D A
just like the Ottos be
A E
and I've all lived a long time
D A
in Vermont and DC
A D
When they hit the Pentagon
D A
I was part of the crew
A E D
Yea we had some bad times.
D A
but some good time too

A D
And so we come here to Clark street
D A
and This is what I knew, that
E D
We are children of heroes,
A
heroes through and through
A D
We are the children of heroes
D A
It's in our destiny
A E
It's in our bones and our sinews
D A
It is what makes us free

A D
We are the children of heroes
D A
It's were our power resides
A E D
And we can make this apparent
D A
'Cause we are on the right side
A D
When the Lord calls to claim us
A
Well that is what shall be
E
That is true of all heroes

D A
Especially you and me.
A D
I am the child of two heroes
A
As we have lived our lives
E
We are the children of heroes
D A
That ain't no lie
