The U.S. government raised the security alert level and implemented extra restrictions to assure the security of air travel. Certain changes in airport procedures and restrictions on items allowed on board aircraft are detailed on the [Travel Alert: Elevated Security](http://www.united.com/web/en-US/content/news/travelnoticesecurity.aspx) (<http://www.united.com/web/en-US/content/news/travelnoticesecurity.aspx>) page.

The price displayed includes up to a 7.5% U.S. Federal Transportation Tax on the base amount of the fare on itineraries wholly within the United States. This tax also applies to certain itineraries between the United States and Canada or Mexico. You will not earn PQD or award miles for the full amount of the displayed price for these itineraries because the U.S. Federal Transportation tax is not eligible to earn PQD or miles.

Mileage accrued will vary depending on the terms and conditions of your frequent flyer program. United MileagePlus mileage accrual and other benefits of MileagePlus associated with air travel are subject to the rules of the MileagePlus program.

The award miles and Premier qualifying dollars displayed are calculated using the base fare and any applicable carrier-imposed surcharges for the itinerary. The initial calculation of MileagePlus earnings in the flight search results may be different than the final calculation.
