Dear Mr. Flint,

Please review each section of your confirmation below to ensure that all of the information shown is correct. Each passenger's name should be their legal first and last name as it appears on a certified or original (state-issued) copy of their birth certificate or passport. If you find a discrepancy, please contact me immediately.

Prior to departure you must provide additional information to the cruise line for all passengers. See the information in the **Cruise Tickets Section** below, for specific instruction.

I highly recommend that every eligible traveler in your party consider purchasing travel protection for your trip. An illness or accident can occur before or during any type of vacation. Such an event might cause you to cut short your cruise or cause your trip to be canceled altogether. And as we discussed, cruise lines impose penalties for canceling a cruise, up to and including loss of the entire cruise price. If you'd like to learn more about how our travel insurance protects you from financial loss, call me at the number below or simply reply to this email and I'd be delighted to assist you. You may also purchase travel insurance online by clicking [here](#).

Have a fantastic cruise and thanks for booking with Vacations To Go!

Sincerely,

Elona Gershberg Alan Fox
