Important travel information

The U.S. government raised the security alert level and implemented extra restrictions to assure the security of air travel. Certain changes in airport procedures and restrictions on items allowed on board aircraft are detailed on the Travel Alert: Elevated Security (<http://www.united.com/web/en-US/content/news/travelnoticesecurity.aspx>) page.

Any changes to your flight reservations may incur additional charges.

Airlines require government issued photo identification upon check-in, such as a driver's license or passport.

Passport, visa and health requirements (<http://www.united.com/web/en-US/content/travel/destination/international/passport.aspx>) may apply for this itinerary. Each passenger must ensure that he or she has all required travel documents as stated in Rule 19 of the Contract of Carriage (<http://www.united.com/web/en-US/content/contract.aspx>) . Information on this site is provided as a courtesy and should be verified by the passenger before travel. Please read important information governing airline baggage liability limitations (<http://www.united.com/web/en-US/content/travel/baggage/liability.aspx>) .

You will be contacted with any changes or additional information such as schedule changes, itinerary changes, etc.

Special services are on a request basis and cannot be guaranteed.

Special meal requests must be received at least 24 hours before the departure of your flight and cannot be guaranteed.

The price displayed includes up to a 7.5% U.S. Federal Transportation Tax on the base amount of the fare on itineraries wholly within the United States. This tax also applies to certain itineraries between the United States and Canada or Mexico. You will not earn PQD or award miles for the full amount of the displayed price for these itineraries because the U.S. Federal Transportation tax is not eligible to earn PQD or miles.

Mileage accrued will vary depending on the terms and conditions of your frequent flyer program. United MileagePlus mileage accrual and other benefits of MileagePlus associated with air travel are subject to the rules of the MileagePlus program.

The award miles and Premier qualifying dollars displayed are calculated using the base fare and any applicable carrier-imposed surcharges for the itinerary. The initial calculation of MileagePlus earnings in the flight search results may be different than the final calculation shown on the Review Trip Itinerary page.
