Session Evaluations

Attendees rate each question on a 1-5 scale and the average response is calculated below in percentage format.

- Q1 - What was the overall value of this session to you?
- Q2 - How well was this session presented by the speaker?
- Q3 - How relevant was this session to your career?

Q1 Percentage	Q2 Percentage	Q3 Percentage	Total Eval Count	ID	Session Title	Type	Date	Time	Comment	Program	Project

If you encounter any problems with this form, e-mail technical support.
